TOP SECRET

7 October 1952

MEMORANDUM TO: FRZ/SPP 25X1A
Attention: [REDACTED]

SUBJECT: Significant Psychological Activities during the Quarter
from July 1 Through September 30, 1952

1. In accordance with your request for assistance in obtaining data for the basis of reply to questions B-2 (a) and B-3 page 4 of the subject PSB questionnaire, we wish to advise the following:

a. Question B-2 (a): OSI advises that no significant change was detected in Soviet jamming techniques during the quarter of 1 July-30 September 1952, the operation apparently continuing with the same intensity and effectiveness as previously. Attached are two OSI reports on the subject which may be of value in this connection.

b. Question B-3: Attached is a statement [REDACTED] concerning "Radio Moscow's Treatment of Point 4." This item was also reviewed by OCI, FDD, and the Contact Division which advise that without a detailed analysis it would not be possible to draw any conclusions regarding the psychological impact of U.S. technical assistance in under-developed areas.

STATSPEC

2. It is suggested that future requirements in this connection be discussed with OIC as soon as possible in order that any studies necessary to provide required information for the next quarterly report can be undertaken.
